Andrew Murray's Abiding in Christ
Chapter 24

1. **Why is works a strength & blessing to the believer?**

2. **Murray states on the top of 112 that the immature Christian may see promises as more valuable and commands as trouble. However, those really seeking to abide in Christ's love, will view the commands as blessings? How are they viewed?**

3. **How does Murray suggest we keep the commandments in the love of our hearts?**

4. **Why is it that Murray encourages us to not be content with the knowledge of some of the commands, while others lie unknown & neglected?**

5. **How can we labor in such a way as to not tolerate a single sin?**

6. **What are the result of disobedience?**
